

## News

Chemico Philippines Inc. held an in-house training & workshop for customers entitled “Create Your Own Beauty” on October 19, 2017. The training included basic knowledge on how to formulate powder-based and oil-based makeup products as well as presentation on 2017 makeup trends. The formulations, Translucent loose powder, Shiny lipstick, Matte lipstick and Matte liquid lip cream, are included in the workshop section.

## Did you know?

Masks have become the new hit products...

### Bioaqua Skin Care Carbonated Bubble Clay Mask

Mud treatment that will generate bubbles all over the face. It contains carbonic acid and clay.

### Hanacure Multi Action Treatment Mask

Pour the lifting serum ampoule into the pack, mix well until a gel is formed. Apply on the face with the brush. Leave on for 30 minutes or until gel dries completely. Rinse.

### Peach Slices Aqua Jelly Lip Mask

Position the mask over your lips so they are centered and apply over your mouth. Keep it for 10 - 20 minutes.

### Laneige Firming Sleeping Mask

Elasticity-enhancing moisturizing sleep-in pack for overnight skincare. The memory gel restores its shape immediately after it is distorted.

### Mediheal Black Label Golden Chip Mask

This mask is similar to a pressure massage. Apply it lining the dots with the adequate points (jewel touching your skin). Gently press each dot two to three times. Rest for 20 minutes.

## Regulations

Thai FDA Guideline for cosmetics advertisement: Antibacterial in cleansing products

1. A statement or picture conveying the efficacy of the cosmetics as an antibacterial or inhibiting bacterial growth, which is a medicinal property, shall be prohibited.
2. An advertising statement shall convey that the product's main property is to clean for good hygiene of individuals, and the secondary property is to clean/reduce the accumulation of bacteria which is a cause of body odor. Accordingly, the following statements may be applied:

- 2.1 Use for cleansing and washing off dirt and bacteria which is a cause of body odor
- 2.2 Use for cleaning and washing off dirt and bacteria
- 2.3 Use for cleaning and reducing the accumulation of bacteria
